## What is a Kite Gram?

Kite Grams are a fun way to decorate our school as we gear up for Spring Fling while showing kindness at the same time! Once ordered, kite-shaped cut outs are sent home for you to decorate. Once returned, the Kite Grams will be hung all over the school! Consider thanking a teacher, bus driver, book buddy, classmate, sibling, parent ... the more the merrier!

- Order Kite Grams (\$1.50 each) at **Tuckahoepta.org**. Once you've received your kites, decorate them and send them back to school and we will hang them up! Feel free to add a kite tail or we can add it for you.
